

D A B Garton-Sprenger

It is with great sadness that we report the death of Dudley (Ben) Garton-Sprenger on September 9th 2016 aged 95. Ben was President of the Club (or Hon Sec as was the case during the War), in 1944. He went up to Merton in 1940 to read Chemistry and captained the Oxford rugby side twice, in 1942/3 and 1943/4. This photo is of the 1943 Oxford side.
